

GREAT MELTON C.C. JUNIOR CRICKET REPORT

Much of the Junior season is summed up well in Matt's Junior Coaching report but, just to add a few statistics to what he has already said, there were 34 junior matches played resulting in 19 victories and 15 defeats. To play such a large number of games in such a short period from late July to early September and in such a restrictive environment was a remarkable effort by Maxine who organised the majority of the fixtures, the Junior Managers, Carl Fawkes (U9), Chris McKay (U11), Martin Alcock (U13) and Maxine (U15 & U13 Girls) and the groundsmen, Mike & Grenville. I big thank-you to them and all those who helped out with scoring, umpiring etc. After weeks of lockdown the efforts of everybody in salvaging some sort of junior cricket season was much-appreciated by the youngsters and their parents. The full breakdown of results is as follows:

U15 P8 W5 L3
U13 P8 W6 L2
U11 P8 W2 L6
U09 P7 W5 L2
U13G P3 W1 L2
